

"INHERIT THE WIND" was the title of this year's Spring play. Joe Mathews and Dave Stambaugh played the leading roles.

Activities Planned for Spring Show

Remember these dates: Friday and Saturday, May 10 and 11. This is the weekend set aside each year for fun and frolic on the UPS campus. The formal name for the show is Spring Weekend, and there is where the formality ends.

The whole shootin' match is strictly for your pleasure, with a couple of good causes behind it for extra incentive. Besides the old familiar faces, there will also be many new ones belonging to droves of high school seniors who will be on hand to look over the UPS campus, and we hope, like it enough to come back next fall and join the "family."

Things will get rolling Friday night around 8 o'clock with song-fest, which is sponsored by SAI. All the living groups will be on hand to offer their musical abilities for the appreciation of all who want to come. It should be a good show. It will be in the Fieldhouse, incidentally.

The big event of the weekend is the carnival on Saturday night. It too will be held in the Fieldhouse and will last from 7 to 12, plenty of time for everybody to see everything. And there will be plenty to see. More groups are participating and there have been some excellent ideas for booths submitted. There will also be a dance in connection with the carnival, to say nothing of the pie eating contest, the frog jumping contest, and the ugly man contest. To quote Joel Thinnies, one of the co-chairmen, "This carnival will be the biggest ever."

Poly Sci. Convention Here This Fri. & Sat.

The Pacific Northwest Political Science Association will meet this Friday and Saturday, May 3-4, on the University of Puget Sound campus for their annual convention. The Association members from Washington, Oregon, Idaho, Montana, British Columbia and Alberta will register at the Doric Motor Inn from 4:30 to 6:30, Friday afternoon.

A banquet for the association members at the Doric at 7 p.m. will follow registration. UPS faculty members and students interested in attending the banquet are requested to contact Dr. Heppe, the chairman of the convention. After the banquet the first of five panel discussions will take place. The topic of the first discussion will be "Political Science and Honors Programs."

Saturday morning the Association will meet on campus to conduct two panel discussions in the morning and two in the afternoon. In room eight of the Student Union Building at 10 a.m. the subject to be discussed will be "The Quest for National Security." In room nine also at 10 a.m. the topic for discussion is to be "Legislative Process In The Northwest."

Howard Dean, the President of the Pacific Northwest Political Science Association will deliver the Presidential address when the Association meets for a luncheon in the Sub. Mr. Dean is a professor of political science at Portland State.

The panel discussions will resume at 2 p.m. "The High Politics of Western Europe," will be the topic of discussion at that time in room eight. In room nine "Political Theory: Consideration of

The Public Interest" is the theme of that discussion.

Students or members of the faculty are welcome to attend the discussions held on campus or at the Doric.

Editorial Comment

WHEN Central Board passed the two motions which strengthened Artist and Lectures it gave the green light to an expanding program of "cultural and educational" events for next year. The question now becomes—Who decides what is educational and or cultural?

The structure of A. and L. will be expanded with the addition of five people to assist the two chairmen. Also the First Vice President will have a more dominant role. He will co-ordinate A. and L. with other organizations wanting to bring similar programs on campus.

Dr. Thompson will also assume a role on the committee. He, along with Dean Smith, Dean Curran, one advisor to be decided upon each year, the ASB President, First Vice President, Second Vice-President and two co-chairmen.

The committee will have four student votes (the two chairmen have one vote) and four administrative votes. These people will decide the events for the coming year. The administration and the ASB will each provide 50% of the funds to pay for the programs. In this way this important committee will be able to have the necessary funds to operate.

Events such as the Brothers Four will not fall under this category. If there is a demand for such programs, other organizations (the various classes for instance) will be able to sponsor them.

This move on the part of CB was a good one. What is needed next is more funds for this important organization. Only \$500 was allocated last year. More is needed for the future.

Central Board Lowdown . . .

By Bill Baarsma

The first Central Board meeting opened with a few bombshells. The Artist and Lecture program was changed drastically. The new program will improve A. and L. greatly.

Next year A. and L. will sponsor only "cultural and-or educational" events. This means programs such as the Brothers Four concert will have to be handled by other organizations such as the various classes. The structure of A. and L. was also improved. Five people will be added to the committee. These people will help the chairmen with publicity and other areas. The first vice president will become the coordinator between A. and L. and other people or organizations wishing to bring artists or lecturers on campus.

This means that the A. and L. committees' activities will be broadened to include supervising or working with the people involved in the Brown and Haley Lectures and R.E. week speakers. Communication between groups in this area has been needed for a long time.

Another proposal for A. and L. would be a special lecture presented by a faculty member during the year. The A. and L. committee would pay a faculty member to do research in his field. The professor would then sum up his work in a form of a special lecture during the year.

What is needed now for A. and L. is additional funds to carry out this program. Their budget will be reexamined soon. An increase is needed!

I.F.C. Hold Discussion

The first organized function under the auspices of the new officers was held by the Interfraternity Council Sunday at the Doric Motor Inn, when 30 UPS Greeks retreated to discuss three basic issues that have been confronting the IFC for some time — scholarship, rush and unity.

Beginning at 8 a.m., coffee and doughnuts were served and at 9 a.m. the first discussion began on scholarship. Paul Coulter and Dave Handy lead discussion groups with the IFC executive council acting as prompters from the audiences.

Dean Richard Dale Smith and Larry Stenberg acted as advisors for the affair. Each fraternity was represented by their rush chairman, scholarship chairman, president and IFC representative.

Following the group discussion on rush, lunch was served.

Graham Tash, Sigma Nu executive from Seattle, concluded the retreat with a summation of the day's discussion with a few knowledgeable phrases from his own experiences in the Greek system.

New Policies Issued for Activities

The student activities committee under the chairmanship of John Pierce issued a set of new policies for next year. Any group wishing to hold a function must adhere to the following set of rules:

A social activity is defined as any major, minor or impromptu function sponsored by a group, as stated in the UPS Social Rules. All student activities committee policies will be placed under the jurisdiction of the social rules.

1. When developing the social calendar for the succeeding year intercollegiate athletic events should be the first items placed on the calendar.

2. In order of precedence yearly ASB and administrative sponsored activities should be the next items placed on the schedule. For example:

- Homecoming
- Christmas Around Campus
- Spring Carnival
- ASB Elections Banquet
- Varsity Show
- Freshman Orientation
- Brown and Haley Lectures
- Leadership Conference
- Adelphian Home Concert

3. Student organizations and departmental sponsored functions should be scheduled after intercollegiate athletic events and ASB and administrative activities have been registered on the yearly social calendar.

4. On the evening or afternoon of an intercollegiate activity social functions shall either end one half hour before a home game or begin one half hour after completion of the game; however, this does not apply to Christmas dances.

5. No activity shall be planned by any organization that will conflict with any ASB sponsored and all-school function.

Chips Elect New Officers

Chips, the women's spirit organization at UPS, chose new officers last week. They are: Gini Keane, president; Linda Rucker, vice president; Inger Eskildsen, secretary; Julie Austin, publicity; and Carol Leuning, song leader. These officers will take over officially tomorrow at a banquet in the faculty dining room; the new Chopper officers will also be presented.

New Members To Be Chosen

The first duty for the new Chip officers will be the choosing of new members. They will work with the retiring officers in sponsoring a party to be held Wednesday, May 8 to 6-7 p.m. in the SUB student lounge for all girls who have turned in applications for membership. Applications can be obtained the rest of this week at the south dining hall cash register; these must be turned in to the ASB office by Tuesday noon, May 7. There will be food and entertainment at the party Wednesday; it will give the Chips a chance to see the spirit of the applicants in an attempt to evaluate their potential abilities as an active Chip. All applicants will want to attend!

The list of new Chips will appear in the Trail May 15.

Chips is open to all girls who have sophomore, junior or senior standing next fall. They will serve the school by publicizing games, helping in half-time entertainment at athletic events, supporting pep rallies and sponsoring football and basketball banquets.

Retiring officers are: Carol Strobel, president; Mary Brown, vice president; Julie Olander, secretary; Dianne Davidson, publicity; and Diane Longanecker, song leader.

Zable to Vie For National AFROTC Title

Sheri Zabel has entered final competition for the national title of Little General of the Arnold Air Society.

Majoring in Political Science, Sheri is President of Pi Beta Phi sorority and is on the Dean's Honor list, having received straight "A's" during the last semester.

As one of eight contestants in the final competition next week in Buffalo, New York, Sheri will represent nationally affiliated Angel Flights from Universities and college in Colorado, Idaho, Montana, Oregon, Utah, Wyoming and Washington. Judging is based on speaking ability, poise, activities and scholarship, as well as beauty.

Sheri is a member of the Ralph Brown Angel Flight which is a coed auxiliary of the Ralph Brown Squadron of the Arnold Air Society. The Flight was formed at the University of Puget Sound a year ago and accepted into the national organization last fall. Its objectives are to advance aerospace age citizenship by furthering public understanding, to support aerospace power in its role in national security, to promote the interests of the Air Force, and to aid the Arnold Air Society in social and civic activities.

SHERI ZABEL, UPS junior, will vie for the title of Little General in national competition this week.

Spring and outdoors go together. A.W.S. seems to think so too. May 17 has been set aside for a "Bermuda dance" on the tennis courts. Contrary to previous years, however, this dance will be an all student mixer, not a tolo. The mixer will give students one last fling before finals and, at the same time, give them the opportunity to see the A.W.S. king crowned.

Trunkey and Sticklin Go to IK Convention

Gordon Trunkey, scribe in the local Log Chapter of Intercollegiate Knights, and Bob Sticklin, national Royal Earl, made up the UPS delegation to the national I.K. convention on the Eastern Montana college campus.

The 39th annual convention was held April 22-25. The theme of the convention was "Re-evaluation."

Twenty-nine of the 37 active chapters of the Intercollegiate Knights were present in Billings, Montana, for the annual convention of the collegiate sophomore men's honorary.

Under the theme of "Re-evaluation," the IK's settled down for three days of workshops and general assemblies on Monday.

While the 63 delegates, under the direction of Royal King Art Eckman of Washington State University, were attending general assemblies and workshop sessions on IK programs for 1963-64, the lovely candidates for the title of IK Royal Queen were going through a busy routine of rehearsals, television appearances and newspaper interviews. The candidates include Nicki Smith, Washington State University; Nancy Lee Reiman, Eastern Oregon College, and Rosanne Tueller, Brigham Young University.

Steve Palmbush, Duke of IK Avalon Chapter, the host chapter, said that details were all in order after a half day delay caused by an unexpected blizzard in the Billings area Sunday evening.

High point of the week's activities was Wednesday night when national officers for 1963-64 were introduced and the Royal Queen was crowned. The Reverend Alfred Davies of Billings' First Presbyterian Church was the featured speaker at the Wednesday night royal banquet.

Palmbush said, "Enthusiasm is running high. I feel we are making progress toward accomplishments on the national, regional and local levels with the convention only half over."

UPS Baseballers Set PLU Twin-Bill on Thursday

The University of Puget Sound, already assured of at least a co-interest in the City Collegiate baseball pennant, meets Pacific Lutheran in an Evergreen Conference double-header Thursday afternoon at Heidelberg Park. The first game starts at 1:30.

The Loggers took a pair from the Knights, 4-3 in eight innings and 5-1, at Western State Hospital Field April 23 and lost a twin-bill to Western Washington, 6-5 and 14-2, at the same field last Saturday. In non-conference action, Central Washington took a pair of games, 4-2 and 8-1, from UPS at Heidelberg Park.

UPS needs a split or a pair of wins tomorrow to claim the City Collegiate title. Coach Russ Wilkerson has nominated tall right-hander Bob Abelsest and lefty Dennis Peterson to pitch. The Lutes will probably counter with right-handers Gary Haugen and Steve Kvinsland.

Last Monday, UPS met Seattle University in a non-league single contest, but the score was unavailable at press time.

Probable starting lineup for UPS against PLU is: c, Larry Green; 1b, Jim Cunningham, 2b, Jack Wood; ss, Jerry Hoxsey, 3b, Jim Hunnex; lf, Dave Ratko; cf, Chris Cherbas or Keith Weeks, and rf, Pat Hoonan.

An unusual amount of injuries has hit the Logger baseball camp, and second baseman-outfielder Roy Kimbel has been lost for the season with a fractured ankle. Others who, at one time or another, have been on the ailing list include: Abelsest, Cherbas, Green, Hoonan, Hoxsey, Peterson, and Ratko.

Following tomorrow's twin-bill, the Loggers will travel to St. Martin's next Monday, Seattle U. next Wednesday and Western Washington May 11. It is hoped that UPS will be able to play on its new diamond May 14 against Seattle Pacific.

The Lucky Logger

By STAN FARBER

Spring sports are rapidly approaching the final stages, and Evergreen Conference championships will be held at Eastern Washington State College in Cheney May 17-18. Track, tennis, golf and baseball will be the main courses, with UPS sending representatives in all sports except baseball. Only the Western Division and Eastern Division diamond champs meet in a best-of-three series. Western Washington (2-0) currently leads UPS (2-2) in the Western Division race.

The double-header win was a costly one for Western Washington at the Western State Hospital Field last Saturday afternoon. Viking third-baseman Ken Moore, attempting to field Jim Cunningham's hot grounder, was the victim of a bad hop when the ball hit a rock and bounced up and knocked out three teeth and broke the Bellingham third-sacker's jaw. The misfortune took place in the third inning of the opener, and the visiting Bell was taken to Lakewood General Hospital where he was released several hours later.

This department would like to see some scholarships awarded if only of the token variety, in swimming, baseball and track. We believe that \$2,000 should be set aside for each sport, and that the awards should be made on the basis of scholarship, all-around athletic ability and need.

Inigo Lucchesi has informed us that George Wright, Irish Bob McKinney and Oscar Morris will headline his May 17 fight card at the Sports Arena. He is currently seeking top-grade opponents for the trio, and it looks like one of the best cards in a long, long time. You won't want to miss this one!

There's a possibility, weather permitting, that UPS will be able to re-open Dr. W. B. Burns Baseball Field on campus for the Seattle Pacific Game May 14. The single contest, a nine-inning affair scheduled for 3 p.m., is the season finale for the Puget Sounders. The field, when completely ready, should be one of the finest college diamonds in the Northwest.

Looking toward the future, plans are already being discussed for new intramural football and softball fields on campus. More about this will be forthcoming at a later date.

Jim Randall, Logger linebacker, has signed a contract with the British Columbia Lions of the Canadian Pro Football League. The 6-0 215-pounder was born in Vancouver, B.C., and still holds his Canadian citizenship. This factor will make it easier for him to stick with the Lions. Jim twice this season led the Logger tacklers.

The Choppers have got some "hot" ideas going for Spring Weekend. Watch the bulletin board in the Student Center for the announcement of the next meeting. Meanwhile, watch out for the Chips They've got some big doings planned, too.

A special committee has been formed to revitalize the Logger campus with school spirit for athletic contests. Already several weekly meetings have been held, and plans have been laid for next fall. There should be a lot of school spirit forthcoming if recent meetings mean anything. Logger administration, coaches, pep leaders, alumni and students have been invited to previous meetings and inspiration derived therefrom.

Best wishes to Roy Kimbel in his recovery from a fractured ankle. Roy has tremendous desire for baseball, but he has been declared out for the season. Dr. Johnson has benched him until early June.

Brother combination at UPS this spring is the brothers Weeks, hurdler Roger and baseballer Keith. The last two years it was the Ratko brothers, John and Dave, as a Logger outfield combination.

YOU are wanted tomorrow (THURSDAY, MAY 2) at 1:30 in the afternoon. WHERE? HEIDELBERG PARK. Watch the Loggers clip the Lutes and win the City Collegiate baseball crown. (Non-paid, non-political advertisement.)

Do you think Charlie can win a ribbon?

That's what Joan Anderson, 4-H girl, is striving for: a blue ribbon for Charlie at the County Fair.

Working for excellence is one of many fine principles which the 4-H Club and Future Farmers of America inspire in their youthful members.

Honoring their purposes, our Company annually provides 74 first-year college scholarships for 4-H and

FFA to award to deserving members in the West, Alaska and Hawaii.

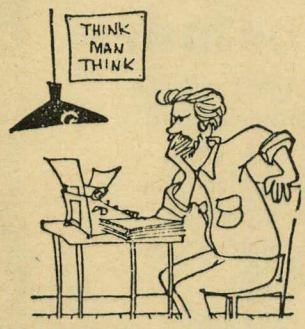

Joan Anderson plans to apply for one of these.

This is part of the nearly \$1½ million we contribute annually for scholarships, fellowships, grants, services and materials for schools. We deem it a privilege to give this support.

Art Show Features UPS Artists

The annual student art show is now on exhibit in the Kittredge Hall Art Galleries from 8 to 4:30, Monday through Friday and 2 to 5 on Sundays. This year's exhibit is art work selected from all the laboratory classes of the Art Department also including Basic Design and Creative Design.

Fred Dorr's oil titled "Some Aritus", should be of interest to students here at UPS. Shirley Kuzmic has an unusual woodcut titled "the Garden". Besides these two mediums there is also work in watercolor, ceramics, jewelry, printmaking, silk screen, etching and sculpture.

UEA Schedule For End of Year Is Busy

The University Education Association will meet tomorrow. The meeting will consist of a panel on comparative education in Europe and the United States. Members of the panel will be Mr. Charles Musto, Miss Mary Ann Jorgenson, and Miss Annabel Lee. A special guest will be Miss Dorothy Newcomer, chairman of the T.A.C.T.-U.E.A. committee concerned with assisting student W.E.A. groups. The meeting will begin at 6 p.m. in room of the SUB. This should be an informative and interesting meeting. All interested students are welcome.

On Friday, May 3, the annual education banquet will be held. Punch will be served in the student lounge at 6 p.m. and dinner will be at 6 p.m. in the South Dining Hall. Student teachers, co-operating teachers, principals and other guests from the public schools will be invited. If you are a student teacher from either fall, 1962, or spring, 1963 — save the date!

PRESS RELEASE

Grand Duchy of Luxembourg — Additional American college students may now be eligible for European travel grants and cash scholarships offered by the American Student Information Service.

ASIS now plans to boost the number of these grants to be given from the original 1000 to 1500.

ASIS has more than 3,000 jobs available throughout Europe. Examples of jobs are life-guarding and waiting on tables at Swiss resorts, camp counseling at French children's camps (some of which are in the Paris area); construction work at international student work camps on the Spanish Costa Brava; farm work in England's 'Robin Hood' country and on Israeli Kibbutzim near the Sea of Gallilee; teaching English to children of Finland's leading families; working at a Swedish seaside resort; farm work in Norway; and high-paying factory and construction jobs throughout West Germany. Wages range from \$ 190 a month for the highest paying positions

in Germany to only room and board in Spain.

Although ASIS offers complete arrangements with a round-trip scheduled jet flight, students are free to make their own travel arrangements. ASIS expects that many students participating in college charter flights will also want summer jobs in Europe.

ASIS, the only organization offering summer jobs in Europe to American college students on a large scale, has placed thousands of students in eleven European countries during the past five years.

For a complete 20-page Prospectus, a complete selection of summer jobs in Europe, and a job application form (enclose \$ 1 for Prospectus, handling and airmail reply) write: Dept. C, ASIS, 22 Avenue de la Liberté, Luxembourg City, Grand Duchy of Luxembourg.

The first 8,000 inquiries receive a \$ 1 coupon towards the purchase of the new student travel book, Earn, Learn and Travel in Europe.
